

PET REGISTRY

No Pets are allowed without prior written authorisation being obtained from Trustees. Permission will only be granted on the following conditions:

1. Approval is obtained, in writing from all immediate neighbours
2. For an application for a dog – **the height in cm from floor to highest point on the back (shoulder) shall not exceed 30cm, when fully grown**
3. For an application for a dog - If the unit has a fenced off area large enough to accommodate the dogs and prevent them from wandering around the Estate.
4. For an application for a dog - Where at least one resident occupies the unit during the day.
5. Only two pets (dog, cat and/or bird) are allowed per section.
6. Dogs and cats must wear a tag, stating its name and the address and contact number of its owner. Dogs or cats found wandering around the Estate without the necessary tags could be caught and removed from the Estate
7. Dogs and cats must be vaccinated as required and a veterinary certificate to this effect must be available for scrutiny at any time by the Trustees.
8. Dogs may roam freely inside the unit or inside the fenced area of the section, otherwise they must be on a leash and accompanied by a responsible person.
9. Cats are to be sterilised and **a veterinary certificate to this effect must be attached** to this form.
10. An owner/occupant shall be responsible for the daily correct removal of any of their animals' excreta from their section/other sections/common property.
11. No pets may unreasonably disturb other residents.
12. All pets must be registered with the Body Corporate using one pet registry form for every pet.
13. The Body Corporate must be notified immediately of any change e.g. the loss, departure or death of any pet.
14. The Trustees may withdraw permission in the event of breach of any of the conditions prescribed.
